

Gränges

Konin, Poland

Has been certified by:

VALEO THS BUSINESS GROUP MATERIAL LABORATORY

For the following material analyses as detailed in self agreement report:

- Roughness ISO 4288 and 4287
- Chemical composition by OES and GD-OES
- Tensile test: ISO 6892-1, ISO 10113 and ISO 10275
- Thickness and particles size
- Brazing trials
- Corrosion potential: ASTM G69
- Sagging tests

Frédérique COEUILLE

Valeo Group Materials Engineering Director

A handwritten signature in black ink, appearing to read "Coeuille", is positioned below the printed name and title.
